

Assistive Technology & Durable Medical Equipment Resources

[Assistive Technology Industry Association](#)

Find AT products and services that Assistive Technology Industry Association's (ATIA) members provide by looking through AT manufacturers, sellers, and providers in the ATIA Membership Directory.

[ATIA Membership Directory](#)

[National Assistive Technology Act Technical Assistance and Training Center \(AT3 Center\)](#)

A project funded under a federal grant, the AT3 Center maintains a vetted and curated website with robust information about assistive technology (AT), including available options and funding resources. On the site, find information about what AT devices and services are available and where to obtain them. Learn about device loan and demonstration programs which allow individuals to 'try out' devices. Locate funding resources for purchasing or acquiring AT, as well as device exchange programs that provide used equipment at little to no cost.

[Explore AT](#)

[RESNA, the Rehabilitation Engineering & Assistive Technology Society](#)

RESNA is a professional organization who promotes the health and wellbeing of people with disabilities through increasing access to technology solutions. If you are a person with a disability or a caregiver, RESNA offers a free, tool to find qualified, assistive technology professionals near you.

[RESNA Consumer and Public Information](#)

[Statewide Assistive Technology Programs \(ATP's\)](#)

[ATP's](#) are federally funded programs in almost every U.S. state which offer:

- Information about what devices and services are available and where to get them
- Device loan and demonstration, and in some states, borrowing programs to 'try out' devices
- Funding resources for buying or getting assistive technology
- Device exchange and recycling programs that provide individuals with used equipment at little to no cost

[Statewide Alternative Financing Program](#)

[\(AFPs\)](#) are programs in almost every U.S. state which can help individuals living with a disability get affordable financial loans to buy assistive technology.

- Typical assistive technology bought through this funding include:
 - Modified vehicles
 - Home modifications
 - Vision/hearing aids
 - Adapted computers

Center for Independent Living

[Directory of Centers for Independent Living \(CILs\) and Associations: \(ILRU\) Independent Living Research Utilization](#)

NOTE: Click on your state on the website above to find the Center for Independent Living (CIL) which serves your area. Then, contact the local CIL for more information about what referrals or assistance programs may be available

Medicare Supplier Directory

For referrals to reputable suppliers of durable medical equipment (DME), you may wish to check the online **Medicare Supplier Directory**. Users may enter their zip code to find a list of Medicare-approved DME suppliers in their area.

[Supplier Directory: Medicare.gov](#)

Please note: This free online directory is available for anyone, not only persons with Medicare coverage.

Find Doctors and Resources

If you would like to search for more resources on your own, please use the search function in our “[Find Doctors and Resources](#)” tool.
