## HOW TO CHAMPION **BREAKTHROUGH MS**

### **WOW** – Did you know?

- MS is an unpredictable, immune-based disease that attacks the brain and spinal cord; symptoms vary from numbness and fatigue to paralysis
- MS strikes in the prime of life when people are most active in work and family; the leading neurological cause of disability in young adults
- The Society is the largest private funder of MS research in the world and provides 24/7 resources and support for people affected by MS

### **HOW** – The National MS Society **NOW** – Breakthrough MS

- Bring together the world's best and brightest researchers to find solutions to MS
- Help people get the comprehensive care they need and access to life-changing treatments
- A team of experts is available to support each individual in navigating the challenges of MS

- Join me at an upcoming Golden Circle event, clinic tour, dinner, etc.
- Join my Bike MS<sup>®</sup>, Walk MS<sup>®</sup> or MuckFest MS<sup>®</sup> team
- Join me and a fellow volunteer, president, staff leader, etc. for coffee
