## Professional Education Opportunities

### CMSC Symposium — In Conjunction With the 2022 CMSC Annual Meeting

**Advancing Advocacy in MS**  
June 1 | 8 - 9:30 a.m. ET

Learn about the full economic burden of living with MS as it relates to access to

medications. Advancing Advocacy in MS will focus on understanding barriers to care that negatively affect patient outcomes and identifying immediate steps you can take to help your patients access their medications.

## ECHO MS

**Sept. 2022 – March 2023**

ECHO MS is a free 12 CME virtual knowledge-sharing network for general neurologists and MS specialists to discuss patient cases and gain new skills in the diagnosis and management of MS. ECHO MS connects participants to MS experts in four hub sites: University of Washington, Washington University in St. Louis, Duke University, and University of Colorado (new this year).

To learn more visit [www.nationalmssociety.org/ECHOMS](http://www.nationalmssociety.org/ECHOMS) or email [echo.ms@nmss.org](mailto:echo.ms@nmss.org).

## Health Equity in Multiple Sclerosis Training

The National MS Society has vetted a curated collection of CME programs for healthcare professionals that highlight health equity strategy implementation, further describe unmet needs in MS and provide a scoping review of health equity
