

Diversity, Equity & Inclusion Statement

The National Multiple Sclerosis Society is a movement by and for all people affected by MS. Our voices and actions reflect diversity, equity, and inclusion.

We welcome and value diverse perspectives.

We actively seek out and embrace differences.

We want everyone to feel respected and be empowered to bring their whole selves to ensure we make the best decisions to achieve our mission.

Inclusion Policy

At the National MS Society, we are committed to embedding diversity, equity and inclusion in everything we do, and we have zero tolerance of any ill treatment towards any person in the MS movement.

Everyone who shares our vision of a world free of MS is welcome here. Hatred is not.

This work is a journey requiring commitment, accountability, transparency and courage. We know it will not be easy, but we are going to do it anyway. We are not striving for perfection only intention and action as we move forward. We extend grace and empathy to everyone who wants to join us on this journey of learning, growth and change. However, **we will not tolerate harmful acts of harassment and discrimination towards our staff and constituents in any form or at any time.**

The National MS Society is here for **every** person with MS — we always will be — until we find a cure. We embrace and are committed to bringing our entire MS community together, representative of all the dimensions of diversity, so that everyone feels at home and supported by their National MS Society.
